

Point your Internet browser to the Criss Library website at <http://library.unomaha.edu> and click the account login link in the upper right corner of the homepage:

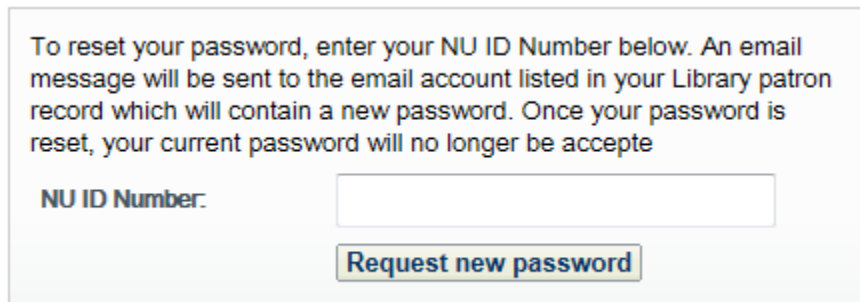

The screenshot shows the top navigation bar with tabs for "Books & More", "Databases", "eJournals", and "DigitalCommons". Below this is a search area with the heading "MY LIBRARY ACCOUNT LOGIN" circled in blue. The main heading is "Find items at UNO Criss Library and beyond". There is a search input field with a "Go" button. Below the search field, it says "Limit results to:" followed by a dropdown menu set to "University of Nebraska Omaha". At the bottom of the search area, there is a link for "Advanced Search" and a "Search with WorldCat" logo.

If you have not already set up an account on the new library system, click the link to set/reset your password:

The screenshot shows a "Sign in" form. It has two input fields: "NU ID Number:" and "Password:". Below the input fields are two buttons: "Sign In" and "Cancel". A link labeled "Set/reset password" is circled in blue at the bottom of the form.

Follow the instructions to set/reset your library account password:

The screenshot shows a box with instructions for resetting a password. The text reads: "To reset your password, enter your NU ID Number below. An email message will be sent to the email account listed in your Library patron record which will contain a new password. Once your password is reset, your current password will no longer be accepted". Below the text is an input field for "NU ID Number:" and a button labeled "Request new password".

Once your account is established on the new library system, you should be able to login to databases from off-campus.
